### TOTAL REVENUE, SUPPORT & GAINS

**\$10,301,290**

### TOTAL EXPENSES

**\$9,391,999**

The numbers above reflect Embrace Alabama Kids and Embrace Florida Kids.

Expenses continue and often increase in a challenging economic climate, and the people we serve were blessed to receive uninterrupted services in 2024 because of our long-term commitment to conservative financial management. However, this revenue-to-expense ratio is not sustainable for the long-term growth and commitment we have made to those we serve, making every gift even more precious and necessary.
