JOY

“He gives strength to the weary and
increases the power of the weak.”

— Isaiah 40:29

**Christmas season isn't always
about toys or presents or
what's under the tree. It's about
sharing joy, love and family.**

Unfortunately, there are children in our communities who have been abandoned, neglected and left without the support they so desperately need. But with your help, we can give them the greatest gifts of all—hope, love and a place to call home.

Mark this season of giving with a donation to the United Methodist Children's Home. Your gift will help us provide homes, love and better opportunities for children in need. It's perhaps the greatest gift you will give this Christmas season.
